WHEREAS a few errors have occurred in the preparation of the official plan and book of reference of the town of Fraserville, and in a part of those of the parish of St. Patrice de la Rivière du Loup ; and whereas between the closing of the cadastre of these two places and the date of their coming into force, numerous changes were made in the subdivision of the property, so that great confusion has been created in the descriptions of property, and it has become urgent, for the purpose of correcting these errors and avoiding this confusion, to make a new plan and book of reference thereto of the town of Fraserville,

And whereas a great number of lots, into which is subdivided the farm or fief St. Angèle, belonging to the Ursuline Ladies of Quebec, as represented on the official plan and book of reference of the village of St. Sauveur, have been so cut up and altered in form and shape by the crossing of the North Shore Railway as to render many of them unfit for sale or to be built upon, and it is expedient that a new division of the said lots should be made ; Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. The Commissioner of Crown Lands is authorized to cause to be prepared a new plan and book of reference for the town of Fraserville, and to substitute them for the present plan and book of reference, which shall be cancelled as soon as the new ones shall be deposited in the registry office of the county of Temiscouata.

3. The Commissioner of Crown Lands may further amend the official plan and book of reference of the township of Hull, respecting that part of the said township forming the village of Pointe du Chêne.

Amend plan, &c., of Hull, respecting village of Pointe du Chêne.

4. The Commissioner of Crown Lands may also amend the official plan and book of reference of the village of St. Sauveur, respecting the lots of the said fief of Sainte Angèle above mentioned.

Amend plan, &c., of village of St. Sauveur, fief St. Angèle.

5. Before making these changes, the Commissioner shall ascertain, by means of certificates to that effect, which the registrars shall furnish him, whether there exist any charges and hypothecs upon the lots whose numbering is to be so changed in the said localities ; and when certified copies of these new plans and books of reference and of the amended plans and books of reference, as aforesaid,

Proceedings to be taken previous to changes.
Deposit of registrar's certificate and notice in
