

That the said lot of land is now known and designated on the official plan and in the book of reference of the village of Ste. Thérèse, in the said parish of Ste. Thérèse de Blainville, as lot number fifty four ;

That the Synod, if authorized so to do by the Legislature of this Province, could readily sell the said lot of land and church ; the proceeds of which sale could be utilized by the Synod for the benefit of the United Church generally in the diocese ;

And whereas, by the said petition, the Synod hath prayed to be authorized to sell the said lot of land and church and to receive the purchase money and grant a valid acquittance therefor, and to apply the proceeds of such sale for the benefit of the United Church within the diocese, in such manner as the Synod may deem useful or beneficial, and it is expedient to grant the prayer of the said petition ; Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. The Synod of the diocese of Montreal is hereby authorized to sell, on such terms and for such consideration as it may deem sufficient, the lot of land known and designated on the official plan and in the book of reference of the village of Ste. Thérèse, in the parish of Ste. An Act to authorize the sale of the Quebec National School property.

[Assented to 30th March, 1883.]

WHEREAS the petition of the Right Reverend the Lord Bishop of Quebec sheweth as follows :

Preamble.

1. That the National School was established in the city of Quebec in the year one thousand eight hundred and nineteen ;

2. That a grant was made by His Majesty, in the year one thousand eight hundred and thirty two, of a certain property to serve as a site for the said National School, for the education of the poor in the principles of the Church of England ;

3. That the said trust has been discharged faithfully, and that since the institution of the said National School, twelve thousand three hundred and twenty seven children have been educated in the said school ;

4. That there is no longer the need or the means of maintaining a voluntary school, sufficient schools having been established under the control of commissioners under the law, and supported by rates, at the city of Quebec ;

5. That good educational work is still done in the Protestant diocese of Quebec, by the incorporated Church Society, which assists Districts unable to support Schools ;

6. That it being no longer possible to apply the National School property to the precise use for which it was originally given, the principle of the grant, as stated in the letters patent, would be best preserved by assigning the revenue derived from the said property to the incorporated Church Society of the Church of England, in the Diocese of Quebec, to be administered for the furtherance of the education of the poor in the said Diocese ;

Whereas the said Lord Bishop of Quebec has, by such petition, prayed that an act be passed, authorizing him to sell the property of the said National school and to place the price of the same in trust with the said incorporated Church Society, and it is expedient to grant such prayer ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

Purchaser not bound to see to application of money.

2. No person who, under the authority of this act, pays any money to the said Lord Bishop of Quebec shall be, in any way, bound to see to the application of or be answerable for the non-application of the said money or any part thereof.

3. The said Church Society shall be held to be trustees within the meaning of the act of this Province 42-43 Victoria, chapter 30, intituled: "An Act defining the investments to be made by Administrators."
